Directions:

Directions to Fort Lewis Lodge [GO HERE FIRST]:

I-5 to Fort Lewis Main Gate (Exit **120**). Picture identification required for to enter Fort Lewis at all times. If driving you will need (1) picture ID, (2) car registration paper or rental car agreement, (3) proof of car insurance and (4) license plate number for post pass at Main Gate. Once thru gate, travel straight and turn right at the second light (Nevada Ave). You will pass the PX and commissary on your left. Nevada turns into Utah. Fort Lewis Lodge is on the left – check in here.
Phone number to Fort Lewis Lodge: (253) 964-0211

Directions to Morning Report [FIRST PLACE OF DUTY ON ROTATION DAY ONE]:

Plan to attend Pediatric morning report at 0730 the first day unless you receive an E-mail indicating another activity is scheduled for your first morning. Enter the Main Entrance of the Medical Mall (entrance level is the 1st Floor). The Pediatric Clinics (Well Baby, Adolescent / Subspecialty, Pediatric) are on your left. Go down the escalator to the ground floor. Walk straight and turn right at the elevators. Just after you step off of the Medical Mall “brick floor” tile you will see the Pediatric Conference room on the right in G-56-35A. If you pass a set of stairs in an open lobby overlooking the lake outside you have gone too far.

Directions to General Medical Education [NEXT DESTINATION AFTER MORNING REPORT]:

Morning report and the morning lecture ends at 0900 hrs. Afterwards, exit the Pediatric Conference room and turn right. Walk straight until you see the entrance to the Laboratory. Turn left at the laboratory and follow the hallway to the end, turn right, then turn left toward the cafeteria. Near the entrance of the cafeteria you will see several elevators. Take the elevator to the 8th floor. Follow the signs to Graduate Medical Education. Kathy’s office is on 8N, in room 865.

If Arriving Late:

Please stop by the Pediatric Clinic to have Dr. Burman 253-596-9684 or the Chief Resident paged at the Pediatric Clinic front desk. Dr Burman’s office is in the Pediatric Clinic, I Hallway, Room 1-78-31.

Eating in the Hospital: The hospital café is inexpensive but requires a hospital badge to enter. There is also a snack bar with an Anthony’s Pizza and small PX (store) next to the cafeteria. In the medical mall on the ground floor, you can find a coffee cart where they make sandwiches and there are also several vending machines there.
